**Subject:** OCT 11 Luncheon

Hi Stacey,

Just wanted to follow up that EPA is available and interested in speaking during your Oct 11 Luncheon for the Chamber of Commerce. I plan to attend and I have talked with Mike Cirian (who may be on leave during that time) to see who else may be available to attend from EPA. I also reached out to Steve Wright who mentioned that he or someone from CFAC may also be available.

Let me know if there are any specific areas you think would be valuable to address. Thank you for this opportunity. I also just left you a voice message and I will plan to follow up with you by phone soon. Please contact me anytime.

Thanks Stacey!
